Join other interested VISTAS members to view and discuss a wide range of documentary films. Members select films for both the filmmaking and the subject. Our discussions begin with, "What did the film's creator want us to conclude?" Background material including sources of financing, opposing points of view, fact checking and reviews are also presented. We hope to have some filmmakers come to speak and show their work. Your \$ 25 fee covers administrative costs for the year. You may sign up at the first meeting.
